Description :

This office received a call from the Driver's License Division of the Texas Department of Public Safety. The RP is a Driver's License Trooper who is working on an Image Verification System, and has identified a suspect who has assumed the identity of her deceased sister for the purposes of voting. According to the RP, he has learned that the suspect has voted in multiple primary, general, and special and run off elections in 2009, 2008, 2007, 2006, and 2005. The suspect has also voted using her own identity. This would constitute illegal voting, under impersonating a deceased voter. Furthermore, the suspect is also using a name variation, which has allowed her to obtain an additional certificate, and may have voted using all 3 identities. This would constitute illegal voting, under voting in more than once in an election. Suspect is using a post office mail box in San Antonion as an address.
